Subject: Invitation to NG-EU Health Investment Forum, Abuja, Thursday, 30 October 2025

Dear Sir/Madam,

The EU Delegation in collaboration with the Government of Nigeria, represented by the National Institute for Pharmaceutical Research and Development (NIPRD), the President's Initiative for Unlocking Value Chain (PVAC), and ECOWAS, cordially invites you to attend a landmark NG-EU Health Investment Forum with the theme: *Made in Nigeria, Made for Health*.

The event which will also feature a signing ceremony of EU funded health investments in the sector, will focus on local production of health and pharmaceutical products, as well as sexual and reproductive health and rights (SRHR), and is designed to strengthen domestic resource mobilisation, promote sustainable health financing and expand access to finance for both public and private sector companies.

The Forum will bring together key stakeholders, including representatives of the Federal Ministry of Health and Social Welfare, allied Ministries, Departments and Agencies, the ECOWAS Zone, the diplomatic community, EU and Nigerian businesses, as well as other partners committed to improving health outcomes in Nigeria and across ECOWAS. It will also provide opportunities for business-to-business (B2B) interactions and match-making between Nigerian and European companies. A detailed programme is attached.

As a key stakeholder, it is our pleasure to invite you as a participant to this 1-day event scheduled to be held on **Thursday, 30 October 2025 at the Ibrahim Kashim Shettima Hall, Bola Ahmed Tinubu International Conference Centre, Abuja.**

Kindly confirm your participation to Malgorzata LIPINSKA at the EU Delegation at Malgorzata.LIPINSKA@eeas.europa.eu (telephone: +234 906 223 0738).

Please accept the assurances of our highest consideration.

Gautier MIGNOT
Ambassador
