ACTIVITIES, PRODUCTS, INNOVATIONS AND BRANDS

Nature Snacks is a Belgian company that produces healthy and quality snacks under the brand names Bloom and Jua. All products are vegan, organic, gluten-free and made with 100% natural ingredients.

Bloom's energy balls and nut butter balls are the perfect healthy and tasty snacks.

The secret of these small bites lies in a mixture of dates, nuts, seeds, and dried fruits. A concentrate of energy for an immediate boost! The Almond-Coco and Hazelnut-Cacao nut butter balls are the new members of the BLOOM family. With their creamy and melting heart made of nut butter, they will seduce all the foodies! Each package contains two balls for twice the pleasure.

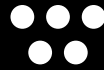

Jua's assortment consists of roasted cashew nuts and exotic dried fruits.

The cashew nuts are available in 4 different flavors: Spicy Chili, Fleur de sel, Herbes de Provence and Tamari-Curcuma. The nuts come from a sustainable chain in Burkina Faso and are roasted in an artisanal way in our atelier in Belgium. Our exotic dried fruits range is coloring and preservative free and made without added sugar. Only fruits and nothing else! All products are available in individual portions or in family size.
